

Birte Müller  
**Willi's World**  
32 Pages

Rights Sold: PR China, Russia,  
Spain (cast., cat.), Turkey  
ISBN 978-3-95470-064-6

This picture book is bristling with energy – just like Willi! Willi's world is a strange and alien place, a planet that's very different from our own. He shows us what really matters to him, the things he loves and the things he really doesn't like one bit! It's quite clear that his is a colourful, wild and exuberant life! Unrestrained, up-front and loveable: with a combination of clear language and vivid imagery, Birte Müller shows us how her son Willi manages to conquer his disabilities.

## Birte Müller

Birte Müller, born in 1973, lives with her family in Hamburg, where she primarily works as a columnist. She studied book illustration in college (and not medicine or biology, as you might think). Her picture book Planet Willi has already been published by Klett Kinderbuch. That's Sick! is her first nonfiction book and the first publication that she hasn't illustrated herself.
