**The Wild Little Ones at School-  
School at Last!**

48 Pages

ISBN 978-3-95470-114-8

Anton, Selin, Mara and Richard have all fetched up in first grade together and survived the first day with flying colours. But now it's their second day and they reckon it's about time all this kindergarten rubbish - handicrafts, games and so forth - came to an end. They want to be given proper homework assignments!

By the end of the day they've certainly learned something - even if it wasn't quite what the teacher Frau Schrock had in mind. And as for Frau Schrock, her head is spinning with all the new things she's found out.

The popular Wild Little Ones are now big schoolchildren, but they haven't lost an ounce of their humour and inventiveness - they're as funny and full of ideas as ever!

- for children who are looking forward to school and can't wait for it to start

## Meyer/Lehmann/Schulze

*Meyer / Lehmann / Schulze* – it goes without saying these aren't their real names. They prefer not to divulge their true identities. All we can tell you is this: Mr Meyer was once involved with children's theatre; Mrs Lehmann has a great sense of humour and lives in central Berlin with two wild little ones of her own; Mrs Schulze is getting a bit long in the tooth, but after all her years teaching in kindergarten there is not much she doesn't know about kids and their wild and wicked ways!

## Tine Schulz

Tine Schulz was born in 1981. After training as a media designer she studied communications design and illustration at the University of Wismar. Since then she has been working as a freelance author and illustrator. She lives in Rostock.
