

A man in a light-colored shirt and dark pants sits on a tall wooden ladder that stands on a vast, flat, reflective surface. The sky is a mix of teal and orange, suggesting a sunset or sunrise. A small, white, high-wing airplane is flying in the distance. The ladder and the man are reflected in the surface below. The overall mood is contemplative and surreal.

Jean-Paul Dubois

Jeder von uns  
bewohnt die Welt  
auf seine Weise
